

A PLACE TO LIVE AND WORK

SWISS LUXURY APARTMENTS

A PLACE TO LIVE AND WORK

EXCLUSIVE ACCOMMODATION IN GENEVA

The exclusive, fully air-conditioned Swiss Luxury Apartments are housed in a historical building in the centre of Geneva which was once the home of Simon Wedgwood.

Equipped with the very latest high-tech facilities, the apartments are located just two minutes' walk from Lake Geneva and the world-famous Jet d'Eau fountain – right at the heart of the business district and in easy reach of numerous restaurants, stylish hotels and the city's vibrant nightlife.

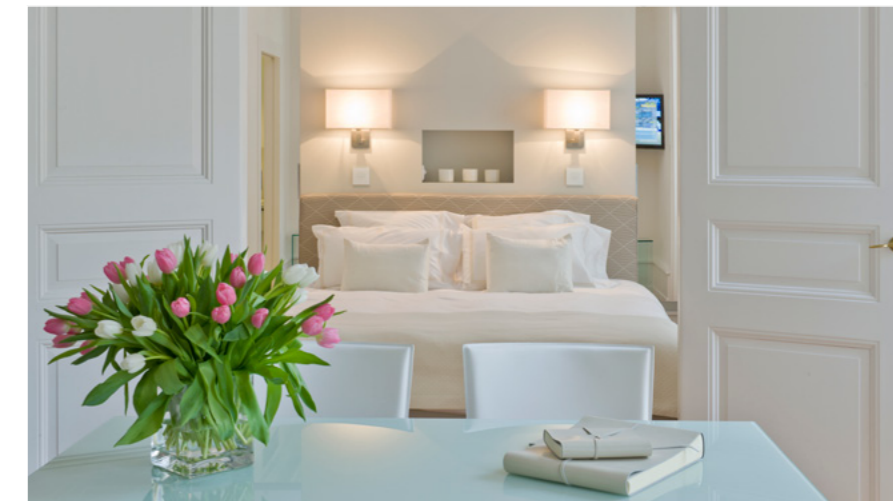

SUPERIOR one Bedroom 50 sqm

ACCOMODATION

These superbly appointed suites are the perfect choice for discerning clients seeking luxurious accommodation with an outstanding array of facilities. They offer interactive HD TV, free high-speed secure LAN and WLAN Internet connections from every room in the building, ECO air conditioning, fully adjustable LED lighting in the bathrooms, power shower and separate bath tub, fully equipped kitchenette with Nespresso coffee machine and wine chiller, and luxurious sprung beds with Frette silk duvets and a choice of pillows to ensure you have a wonderful night's sleep.

THE BEST OF TWO WORLDS

The Swiss Luxury Apartments Geneva include both two-room and three-room apartments: Our serviced apartments are fully equipped with a kitchen area, coffee machine, kettle, refrigerator, wine cooler and everything you need for a comfortable stay.

Our staff are on hand to help. As well as cleaning your room, they can also organize laundry and shopping services and arrange conference facilities. We understand that every last detail is important.

FAMILY APARTMENTS

A PLACE TO LIVE AND WORK

The Swiss Luxury Apartments offer everything you need for a great day's work, including comfortable lounges, meeting rooms with live transmission facilities, a fully equipped business center with four computer workstations, a copy center, and an HD Polycom video conferencing room. On request, we can also set up a virtual private network with connectivity to your corporate VPN on a workstation or your laptop. We take pride in making sure you can work efficiently while you are away from home.
